DPD-0692-62 COPY, OF 2

51h

January 23, 1962

Dear Jim:

Would you kindly advise Bob of the following information:

A shipment was made under Contract 88-475 on October 12, 1961, wherein a DD 250 was enclosed that did not include all the items shipped. I am, therefore, submitting a revised DD 250 to cover the shipment.

Also, a second shipment was made on November 13, 1961, and a DC 250 was forwarded with the shipment. A copy was forwarded to you via our letter 3230-61-50, dated November 9, 1961. You will note that there are slight differences in the dates that the latters were sent and the shipments were made. However, I have ascentained that the DD 250's forwarded to you do correspond with the shipments dated October 12 and November 13 cospectively.

I hope that this will clarify the position of the shipments under this contract. If you have need for further information, please contact the undersigned.
